Please note that roaming rates are subject to change without prior notice. If your phone doesn't automatically connect to a participating network, you must manually change your roaming network on your mobile device to one of the participating networks to enjoy reduced rates, or one of the providers listed above in order to apply these rates. In the event you do not carry out this manual change of network and are not connected automatically, the rates above will not apply. Standard rates apply on other networks not listed here.
